IN TIME FOR CHRISTMAS!**

Hello golf club maker. Pyramid Golf Components, a division of Deer Ridge Golf Course, located in Brandon, Manitoba, has acquired all the inventory from Comfort Concepts. As a result, we created a golf component distribution business called PYRAMID GOLF.

We are selling all the current inventory at fantastic discounts and will be adding new inventory in the future. Our website is currently under construction and will be updated daily. All orders will be shipped the next day, VISA and MASTERCARD accepted.
